

KUALA LUMPUR

## Philippine Embassy Statement on the Flag-Burning Incident

The flag-burning incident was committed by a private individual who is known to have done many controversial things in the past. His action does not represent the official position of the Philippines.

Philippine Government authorities in Manila are currently looking into the matter and shall deal with it accordingly.

The Embassy does not condone the incident and deeply regrets that the incident has offended the feelings of Malaysians.

The Embassy reiterates its assurance that it is firmly committed to the development of the excellent bilateral relations between the Philippines and Malaysia.
